# INTERGOVERNMENTAL AGREEMENT FOR BRIDGE REPLACEMENT

Marshall and Putnam Counties have agreed to replace a bridge (Structure 062-4437) located on the County Line between Section 4, Roberts Township and Section 33, Magnolia Township. Marshall County has approved Roberts Township County Aid Request #906, Section 23-09120-00-BR, and Putnam County has approved Magnolia Township County Aid Request #305, Section 23-03131-00-BR.

As per Illinois State Statute, 605 ILCS 5/5-503, the expenses shall be shared between the adjacent Counties in proportion to the equalized assessed valuation. Based on 2022 Equalized Assessed Valuation, Marshall County share is 67.0% and Putnam County share is 37.0%.

2022 Marshall County EAV \$342,122,584 = 63.0%

2022 Putnam County EAV \$200,955,845 = 37.0%

Marshall County will be the lead agency for this project. Marshall County is programming this project through the Illinois Department of Transportation, District 4. The total cost estimate for the project is \$1,025,000, including preliminary engineering, right-of-way acquisition, construction, and construction engineering. The source of funding shall be Federal Surface Transportation-Bridge, Township Bridge Program, Motor Fuel Tax, Townships local funds and Counties local funds. Details follow:
